

## ***Session 9: Immunization supply chain & logistics***

❖ **Session prepared by an IPAC Working Group with support from WHO and UNICEF**

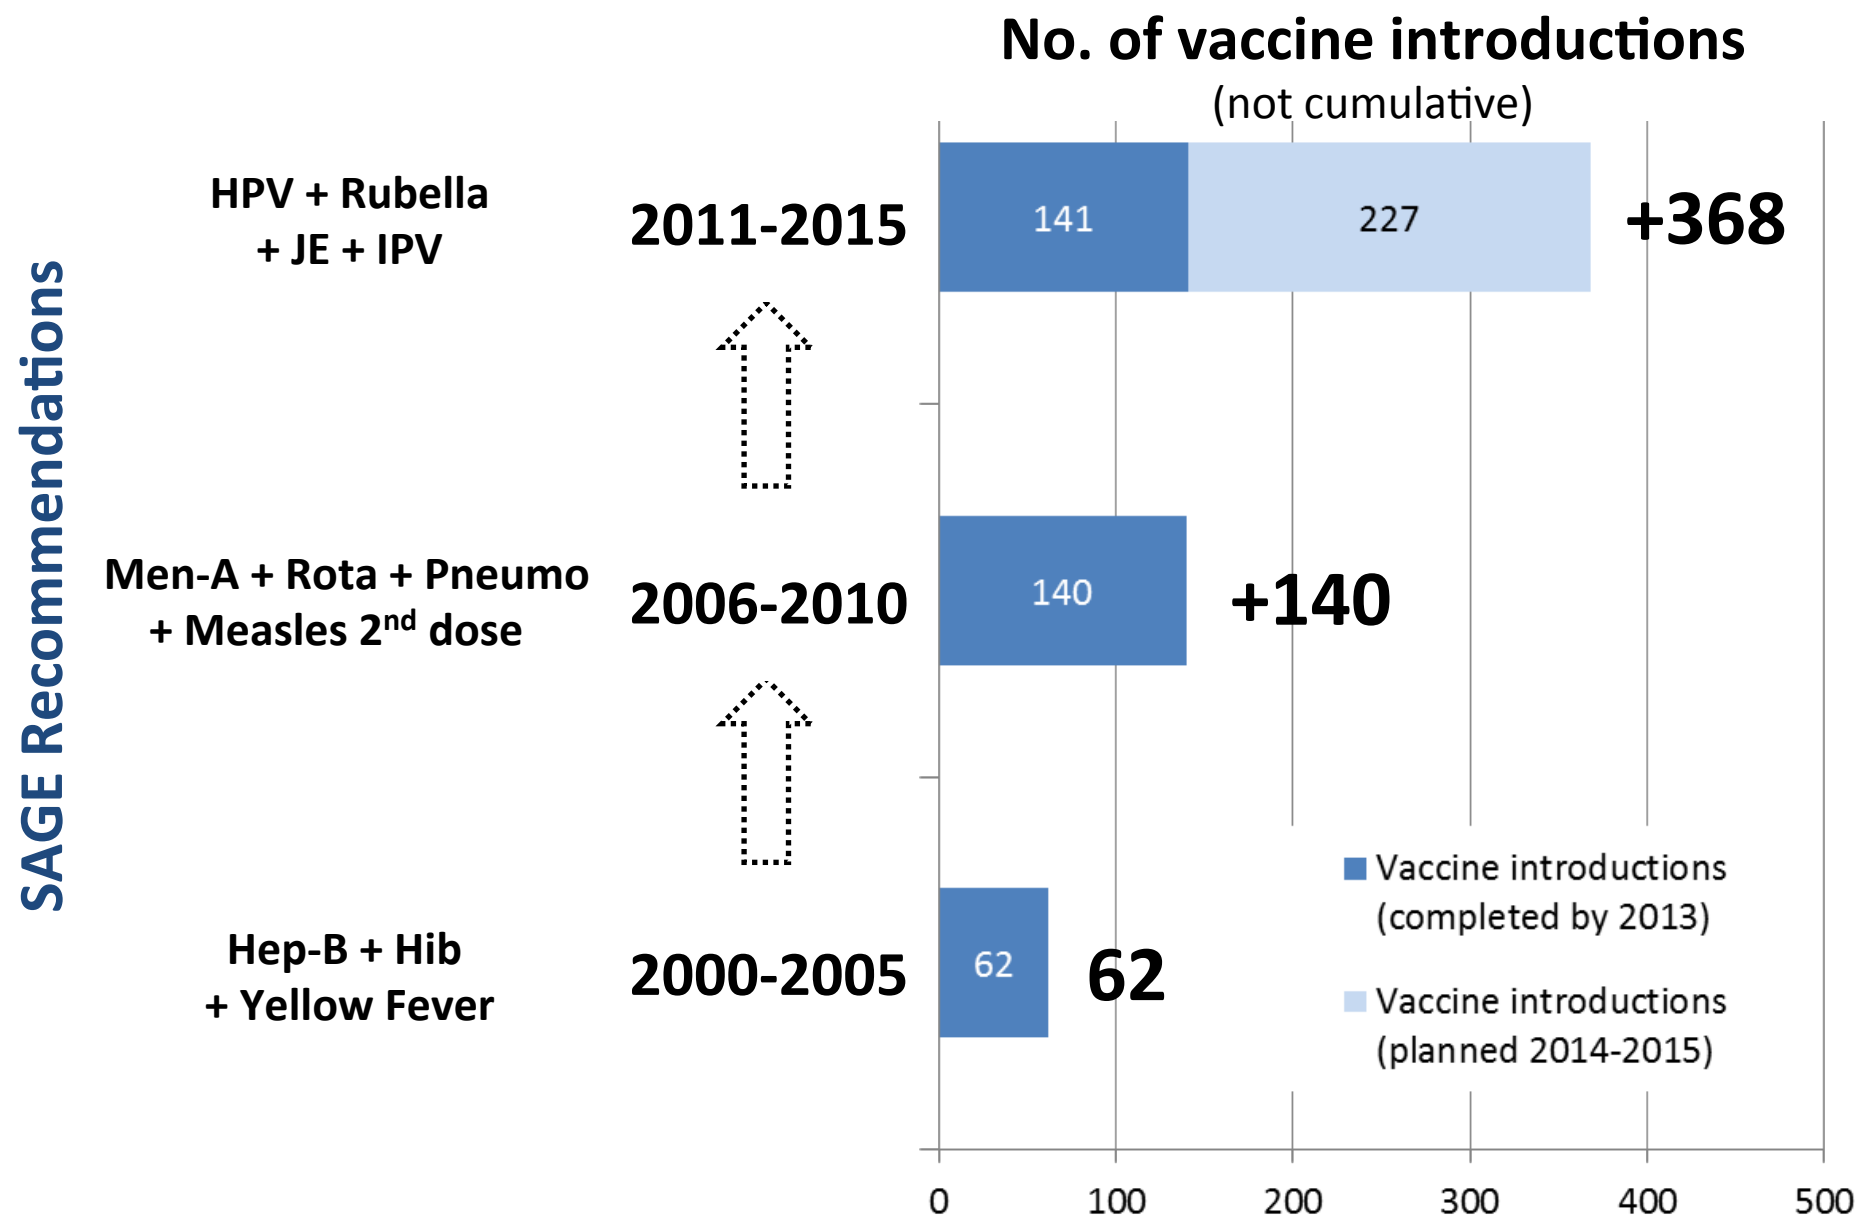

❖ **IPAC members:**

- Robin Biellik (Working Group chair)
- Xavier Bosch-Capblanch
- Jean-Marc Olivé
- Robert Steinglass

❖ **Secretariat (WHO/UNICEF):**

- Patrick Lydon (Secretariat focal point), WHO
- Diana Chang-Blanc, WHO
- Ryan McWhorter, WHO
- Osman Mansoor, UNICEF
- Benjamin Schreiber, UNICEF

## Global success of new vaccine introductions is clear

**But in-county immunization supply chain systems have been neglected**

### **The “why?” of this session**

- To sensitize SAGE to the growing constraints faced by countries
- To provide evidence of the challenges
- To prepare SAGE for a subsequent sessions

### **The outline of the “how?”**

- **November 2013** *(for information)*
- **April 2014** *(for guidance and decision)*
